Parking

Parking in the area nearby the school needs to be payed for between 12:00 uur - 23:59 h. The rate: € 1,- the first hour, each hour afterwards € 4,50. The zone is 3100. The most easy and cheapest way is to pay via an app. The most nearby paying machine is situated at Nassaulaan 20 (at the opposite of the Coop).

Child lunch at school between 12:15 and 13:00

It's possible for your child to lunch at school between 12:15 and 13:00. The school doesn't provide food or drink: you need to provide that yourself for your child when they go to school. The teacher and some voluntary parents supervise the eating, drinking and playing outside afterwards between 12:15 and 13:00 h.

There are costs for this supervision; € 1,50 each day. In case your child lunches incidentally at school a special stamp card is the most easy way. These cards are for sale at the administration of the school. In case your child lunches daily at school, please fill in the form (available at the administration). If you authorize the school for payment the costs are a bit lower. If you prefer to transfer money that's possible too; please transfer the amount to the bank account of the Prins Mauritschool: NL35RABO0313485674, please mention 'overblijven' and the name(s) of your child(ren).

If you have any questions about the organization of the supervision during lunchtime, please ask juf Conny Boele, cboele@prinsmauritschool.nl

Parent contribution

Each year you'll receive a request to donate a voluntary parent contribution to our bank account NL46INGB0003867649. This year the amount we ask you to donate is:

€ 46,- for one child

€ 72,- for two children

€ 92,- for three or more children

The parent contribution is destined for playing toys at the schoolyard and presents for your child at celebrations, schooltrips and sport events. The dutch law prescribes that schools cannot oblige parents to pay this contribution. If you don't contribute, your child can still participate at schooltrips and celebrations. However the lack of income via parent contributions can result in lesser schooltrips and celebrations. Therefore we hope sincerely that each parent is willing to pay this contribution. Aside from the above mentioned amounts parents can receive separate invoices for a schooltrip and schoolcamp (group 8).
